

## Arisia needs your help!!!

We're fundraising to cover a settlement of a hotel dispute. This is a fight for Arisia's future and we need your help.

Remember the Boston Park Plaza? Last year, we were there because the Arisia community voted to respect the hospitality union and not cross picket lines to work on our convention.

The Marriott challenged our interpretation of the contract to allow this move and we lost the case in binding arbitration. The judgement was crippling.

After more negotiations, Arisia agreed to pay significantly less. We need to come up with a final payment of \$40,000 by March 1st — still more than we have!

Three weeks ago, we started a fundraising drive and the response has been extraordinary. However, we still have more to go!
